Cars For Kids

Need to clean your garage of an unwanted car/truck/boat/RV/snowmobile?
Donate it to Big Brothers Big Sisters!

Fox Valley Auto Auction Company will pick up the vehicle at our office and transport it to the auto auction. All monies received from the auction will be used in support of our one-to-one mentoring program. All you need to do is drop the vehicle off at our office & bring a signed and clear title along with the keys! BBBS will send a letter of donation to you when the vehicle is sold.

You may deduct the entire amount of sale on your taxes.

Scrip Program

What is Scrip and how does it benefit Big Brothers Big Sisters?

Scrip is a term that means "substitute money". When you purchase Scrip, you're purchasing negotiable gift certificates that are used just like cash. The Scrip is issued by national and local retailers where many of you already shop or dine. You can use Scrip to purchase food, clothing, gifts, gas and other essentials. Simply stated, Scrip is fundraising while you shop!

**Big Brothers Big Sisters receives a percentage of 3-25%
from each certificate that is sold through our agency.**

Fundraising could not be easier!
